

CANNING VALE
PRIMARY SCHOOL

BUSINESS PLAN

2021 - 2023

CONNECTED, CONSISTENT CURRICULUM

we will:

Strengthen whole school approaches with consistent, connected pedagogy and curriculum within and across year levels

Use evidence-based approaches to progress student achievement

Apply Visible Learning & explicit teaching in every classroom

Continue to develop and review operational plans for all learning areas

CONNECTION AND COLLABORATION

we will:

Effectively use Collaborative DOTT to ensure consistency in curriculum and provide support to one another

Engage in professional learning aligned to focus areas and operational plans

Establish a 'peer observation' framework

Ensure performance management processes align with and support the AITSL standards for teacher and DoE's Competency Framework for EAs

DATA INFORMED DECISIONS

we will:

Effectively use the student monitoring database and assessment schedule to track student progress (using P-10 analysis)

Analyse data to inform planning to ensure appropriate intervention, support and resource allocation

Continue to develop the intervention and extension programs based on data

**STRONG
MINDS**

SPECIALIST LEARNING AREAS

we will:

Promote specialist classes more widely

Develop the science program with the introduction of a science specialist

Develop strategic plans for each specialist area

PROMOTION we will:

Promote events, activities and achievements of the school community
Continue to improve on the school's aesthetics (sharp, clean and modern)

COMMUNICATION we will:

Ensure communication between classroom teacher and parents is effective (two-way communication)
Ensure communication between school (Admin) and home is strong, transparent and effective

**STRONG
COMMUNITY**

P&C & SCHOOL BOARD we will:

Raise the profile and promote the school board
Raise the profile and promote the P&C
Encourage and maintain community initiatives throughout the year

VOLUNTEERS we will:

Continue to build upon the volunteer program, promoting it more broadly to the community

RESILIENCE & WELL-BEING

we will:

Strengthen resilience through:

- Protective Behaviours
- CVPS Health Scope and Sequence
- 'Be You' Principles and Growth mindset philosophy

Continue the mental health coordinator position 1 day per week

**STRONG
HEARTS**

CHAPLAINCY

we will:

Continue to offer a Chaplaincy program 4 days per week

COMMUNITY SERVICE

we will:

Continue to develop, review and enhance active citizenship opportunities and programs

Build upon the sustainability program
