

Dear Parents/Caregivers

2024 SCHOOL CHARGES AND CONTRIBUTIONS

The Canning Vale Primary School Board has endorsed the schedule of Contributions and Charges for 2024.

Voluntary Contributions

The total amount of contributions parents/caregivers are being asked to pay has been set at \$60.00 per student, which is in line with the School Education Regulations 2000.

Your contribution will be used to supplement school expenditure in the curriculum learning areas. While the contributions are voluntary, the quality of our teaching and learning programs will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth governments. Your contribution will be used to supplement school funding for the purchase of resources needed in the provision of the learning program activities.

Please note we have specified the areas where the funds will be utilised. For Kindergarten students it will be utilised for the purchase of consumables and resources and for years Pre-primary - Year 6 it will be used to purchase resources for our core learning areas.

All contributions are used for the direct benefit of the children. Our aim is to raise our community's contribution rate to at least 80%. Please help your child by contributing in 2024. Over the course of the year the contribution per child (\$60.00) equates to \$1.50 per week.

A breakdown of estimated charges for your child's participation in excursions, incursions and activities for 2024 has been included in the table on the reverse of this letter. The amounts shown represent the maximum that can be charged for scheduled activities in 2024.
